## Bio:

Jazz enthusiasts find guitarist **Tim Langedijk** a breath of fresh air. He is not a man who desires to show off his virtuosity to his audience at any given moment. Langedijk likes beautiful melodic lines and subtle harmonies and he also searches for intriguing and adventurous soundscapes. Diversity and powerful expression are the starting points for the trio that he formed in 2006.

Bassist **Udo Pannekeet** is a member of the first hour. In 2011 drummer **Hans van Oosterhout** joined the trio. The first two albums (Testimonials, 2008 and Inside The House, 2010) were critically acclaimed. "His view of music is in line with what John Abercrombie and Bill Frisell set in motion," said the magazine Jazzism. Contemporary jazz that branches out into fusion and country, it's all possible with Langedijk, yet always with a lovely tone and refined movements.

Recent years, the trio played at all major venues and jazz festivals in Holland including the North Sea Jazz Festival. Late 2011, Langedijk recorded his third album in Osnabrück, Germany. Special guest on this CD is the internationally renowned pianist **Jasper van 't Hof**. The CD is titled November and was released spring 2012. In April 2013 the trio launched their latest album 'Standards 1'.
